All about...

YA YA Farm & Orchard

YA YA Farm & Orchard is a family owned and operated U-Pick-It Apple Orchard located in Boulder County, Colorado at the heart of the foothills.

A historic century-old farm, specializing in heirloom apples, offering family oriented activities and practicing organic methods. We have 860 trees in the ground with plans for adding another 140 heirloom cider varieties. There are currently 125 varieties ripening as early as mid July and on into October.

In addition to apples, we have pears, plums, and grapes.

Flowers are our second love to fruit. Our vegetable gardens have traditionally been used for the farm store canning efforts but we have extended the plentiful production to our CSA member.

We love sharing our bounty with you and hearing your stories about the amazing things you bake and cook! It makes all the hard work worth every second!
